Aim:

To ensure the health and safety of Educators, children and families throughout the operation of Family Day Care and In Home Care is maintained at a high level.

Responsibilities:

In the event of an accident or emergency situation occurring, to ensure that immediate action is taken, and appropriate services and care are provided.

In relation to Co-ordination Unit Staff:

- Abide by their obligations under the current Education and Care Services National Law, Education and Care Services National Regulations and the relevant National Quality Standard in relation to dealing with illness, accidents and emergency treatment
- Refer to the Serious Incidents, Change of Circumstances and Complaints to Notify Table, located in the Complaints Handling Policy
- The Approved Provider must notify the Regulatory Authority of certain circumstances and information, this includes any serious incident or complaint that occurs within the service. Notice must be provided within certain timeframes depending on the incident or complaint.
 - Within 24 Hours if:
 - There has been a serious incident
 - Death of a child
 - Complaints alleging that the safety, health or wellbeing of a child was or is compromised, or that the law has been breached
 - Within 7 Days if:
 - Any incident that requires the Approved Provider to close or reduce the number of children attending the service for a period
 - Any circumstances at the service that poses a significant risk to the health, safety or wellbeing of a child attending the service
- Support Educators with relevant forms for collecting authority and information
- Be familiar with the regulatory requirements in relation to dealing with emergency situations with children
- Provide training and/or information on appropriate practices when dealing with emergency situations with a child
- On enrolment of a child, ensure the parent has given written authorisation for any Educator or staff member of the service, to seek and/or carry out emergency ambulance, medical,

hospital or dental advice or treatment if required

- Co-ordination Unit staff will notify the parents or emergency contacts under these circumstances as soon as it is possible to do so
- Have current First Aid, Emergency Asthma and Anaphylaxis qualifications
- Upon receiving notice of a serious accident involving a child attending Family Day Care where the accident results in the child receiving medical, dental or hospital treatment immediately notify the parent, Country Children's Early Learning Pty Ltd, the Department of Education and Communities (DECS) and the Department of Education
- Upon receiving notice of the death of a child while being provided with care, the Co-ordination Unit staff will immediately notify the child's parent, a police officer, the Department of Education and Communities (DECS), Department of Education and Country Children's Early Learning Pty Ltd
- Notify the Department of Education and Communities (DECS) through the NQAITS of any serious incident or circumstance that could have resulted in the occurrence of a serious incident within 24 hours
- Safely store confidential health and medical details on children until they reach the age of 25 years

In relation to Educators:

- Abide by their obligations under the current Education and Care Services National Law, Education and Care Services National Regulations and the relevant National Quality Standard in relation to dealing with illness, accidents and emergency treatment
- Refer to the Serious Incidents, Change of Circumstances and Complaints to Notify Table, located in the Complaints Handling Policy
- Have a current First Aid qualification
- Have current training on the use of Epi-Pens and Anapens
- Undertake training in Anaphylaxis Management
- Undertake training in Asthma Management
- Have a first aid kit that is suitably equipped, easily recognisable and readily accessible
- Discuss with the families of children in care, their responsibility in covering any expenses arising from emergency treatment, and their responsibility in providing adequate information on the child's:
 - Health
 - Past and current medical history and any allergies medications if relevant
 - Recommended medical and dental provider
 - Written action plans for medical conditions e.g. anaphylactic reactions and allergies, asthma management, haemophilia, diabetes, epilepsy, etc
- Maintain ongoing communication with the Co-ordination Unit staff of any relevant emergency plan for a child
- Administer First-Aid as appropriate and in accordance with the *First Aid Policy*
- In the event of any incident, illness, trauma or injury that the parent is notified as soon as is practicable, but not later than 24 hours after the occurrence
- In the event of an emergency, inform the parent or emergency contact as soon as possible so that they can take over the responsibility of their child and decide on further action to take if necessary
- Complete the Incident/Injury/Trauma/Illness Record form
- Record the Incident/Injury/Trauma/Illness on the Incident/Injury/Trauma Record or on the Illness Record in the back of the Programming Diary

- Forward all Incident/Injury/Trauma/Illness Record forms to the Co-ordination Unit once a child has finished care
- Inform the Co-ordination Unit staff of any injury to a child that requires medical attention
- Complete the appropriate Insurance Incident Report Form (for insurance purposes) for any accident where third party medical advice has been required (e.g. doctor, dentist). This form needs to be forwarded to the Educators Insurance Company, and a copy returned to Country Children's Early Learning Pty Ltd
- In the event of the death of a child while being provided with care, the Educator will immediately call an ambulance, the child's parents and Country Children's Early Learning Pty Ltd

In relation to Families:

- Provide up to date medical and contact information in case of an emergency
- Seek their own health insurance if they so desire
- Provide written emergency or health management plans if applicable to their child's health
- Take over the responsibility of their child as a matter of urgency if contacted by their Child's Educator to do so

Continual Monitoring and Improvement:

- Continual improvement and monitoring will occur in the following ways:
- Incidental and planned consultation with families
- Co-ordination Unit Staff accessing current relevant information
- Co-ordination Unit Staff and Educators accessing current and relevant training
- Internal evaluation of incidences and the improvement of systems
